

THIS YEAR'S WAIMEA MIDDLE SCHOOL SCIENCE THEME:  
'MOHALA I KA WAI KA MAKI O KA PUA'

UNFOLDED BY THE WATER ARE THE FACES OF THE FLOWERS.  
*FLOWERS THRIVE WHERE THERE IS WATER, AS THRIVING PEOPLE ARE FOUND  
WHERE LIVING CONDITIONS ARE GOOD.*

# MĀLAMA KOAI'A TREE SANCTUARY

SATURDAY, DEC. 10, 2011  
8:30 AM - 3 PM

**TRANSPORTATION PROVIDED**

(MEET BEHIND PARKER SQUARE AT 8:30 AM)

You are invited to join Waimea Middle School  
and the Kohala Watershed Partnership for a Work day  
at the Koai'a Tree Sanctuary on Kohala Mountain.

Will involve weed control, trail building and some **planting**.

Suggest wearing "layered" clothing so prepared for sun, wind, mist or rain -- must wear covered shoes and bring a raincoat, plus lunch and a drink. Tools and snacks will be provided.

*Help restore health to our 'aina so that we all thrive!*
