Aloha Kamaile 'Ohana,

Bullying continues to be a problem in schools across the island and the rest of the country. Here at Kamaile we take bullying prevention very seriously, and it is one of our core focuses in the Guidance Department. This year all students in grades 4-6 were pulled into the library for a bullying prevention assembly. Some of topics discussed included what bullying looks like, why some people may bully others, and most importantly, what to do if you or someone you know is being bullied. We will continue to address this topic throughout the year. We are also planning on bringing in guest speakers and live performances to further bring awareness to this very important subject. Have a great day! - Mr. B

Hökūle'a and Hikianalia Are Embraced with Kamaile Aloha- Kamaile High School students took a leading role in the welcoming of Hōkūle'a and Hikianalia to their coast. After years of involvement with the Polynesian Voyaging Society, this past week allowed the students to continue their personal crew

training, share their experiences with their community, and pass on their knowledge to the next generations of voyagers. On Saturday, three students had the incredible honor of sailing aboard Hōkūle'a from Nānākuli to Pōka'i Bay and taking part in the beautiful welcoming ceremonies from the Wai'anae community. On Monday, the students led more than 200 grade 3 and 6 students through stations at Pōka'i Bay to visit the canoes and learn about voyaging. These students then led a Learning Journey on Monday afternoon on the Kamaile campus to share our school's work with PVS crew members. Finally, on Tuesday evening, the students were invited along with the PVS crew to dinner at MA'O Organic Farms to share their experiences.
